

CORPORATE SOCIAL INVESTMENT

Complete advisory services for social entrepreneurs: from registration to fundraising

Our advisory services for social entrepreneurs evaluate and manage partnerships, including aspects related to volunteering, establishing cooperatives, and other related labor issues.

We have the necessary experience to provide reliable and comprehensive advice on Administrative Law regulations applied to social projects that utilize incentivized resources introduced by the Rouanet Law, the Child and Adolescent Statute (ECA), and the Sports Incentive Law, and we monitor the numerous developments of the New Regulatory Framework for Civil Society Organizations.

MAIN SERVICES

- Establishment of non-profit entities.
- Identification of necessary licenses and registrations.
- Obtaining titles and respective exemptions.
- Drafting contracts and other relationship instruments with businesses, government, and/or society, in addition to addressing specific issues for each type of project or activity.
