

KOREA DESK

Excellence for over two decades in working with Korean companies

Our Korea Desk is one of the most active among our firm's Foreign Desks, having advised on major Korean investments in Brazil.

We are recognized as a market leader for our work with Korean companies in their businesses in the country and for our work in strengthening relations between Korea and Brazil through strategic discussions involving areas of interest to both countries.

Our clients in this area span a broad spectrum of economic sectors, including electronics, food, medical products and services, automotive, finance, steel, heavy industry, mining, shipping, import and export, pharmaceuticals, chemicals, and consumer goods.

We are a driving force behind the business environment between Brazil and Korea by fostering strong partnerships.
